PILOT BUTTE BEAUTIFICATION COMMITTEE

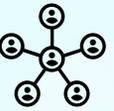

The Pilot "Butte"ification Committee's mandate is to work in partnership with the Town of Pilot Butte, local businesses and other volunteer groups to develop a multi-year plan that focuses on sustainable, environmentally responsible green spaces and beautification plans. In addition to having a "greener" Pilot Butte, we hope to further enhance our community pride, help to reduce crime and promote tourism. In support of these goals, we are also committed to being active members of the national and provincial Communities in Bloom program.

Our initiatives include design and coordination of the hanging baskets around town, install annuals in the planters and flowerbeds at the Rec Centre, at the cemetery, with the on-going metal recycling bin fundraiser and participation in the Pilot Butte Cleanup Day. We also offer a Mother's Day hanging basket fundraiser, worked cooperatively with the Town to develop the Spray Park landscaping plan; weeding and maintaining the planting beds. We have assisted with town sign design and future plantings. We run a community garden box program and weed and mulch the food forest in one of the Plains Development parks.

Residents are encouraged to get involved with your community. If you can spare some time to help out, it would be greatly appreciated. Even just a few hours can make a big difference. If you are interested in volunteering, please contact us at beautifypb@gmail.com. Please join us for an opportunity to make new friends, share your knowledge or learn something new!! Don't miss out on a chance to make a positive impact on your community!
