Unleash Community Spirit – Become a Dog Park Sponsor!

Our community is planning the development of a dedicated dog park, a safe and accessible space designed to encourage responsible pet ownership, active lifestyles, and social connection for residents of all ages. To bring this project to life, we are seeking the support of local businesses and community members through sponsorship. Sponsorship provides a meaningful opportunity to invest in a community asset that enhances quality of life, supports outdoor recreation, and fosters a sense of pride and connection within our town.

Why Support the Dog Park?

- Enhances community wellness and outdoor activity
- Provides a safe, designated space for dogs and their owners
- Encourages social interaction and community engagement
- Demonstrates commitment to local development and livability

Sponsorship Opportunities

Recognition for sponsors will correspond to their contribution level and may include

- On-site signage within the dog park
- Acknowledgement on the town website and social media channels
- Recognition at park opening and community events
- This project represents a lasting investment in our community, one that will benefit residents, families, and visitors for years to come.

Intended Use of Financial Contributions

- Commercial-grade perimeter fencing and gates
- Accessible entry features
- Benches
- Dog waste receptacles
- Park signage
- Dog friendly agility and play equipment
