It's the season for creating warmth with love

Angels 4 Warmth Inc. need yarn and quilting fabric to create items of warmth, greatly needed in the Regina area, for the cold winter challenges ahead. Not all those who need a little warmth are homeless. We put out 30 plus kids hats, mitts and cowl/scarf sets along with the 330 six foot scarves that we tied around the trees in Victoria Park in mid November.

Drop Off yarn or fabric at the Pilot Butte Recreation Center (black barrel near the canteen)

SPIRIT OF THE BEAR AWARD OCTOBER VALUE - RESPECT

Each month, teachers nominate one student from each classroom who go above and beyond to demonstrate our monthly value.

In October, our Bears focused on the value of being Respectful.

The affirmation we practiced was:

"I am respectful of myself and others at all times."

We are so proud of these Bears for showing kindness, teamwork, and a willingness to lend a hand. Their actions remind us how small moments of help can make a big difference.

Christmas is such a beautiful time for family and friends to come together to share gifts and food and reconnect. Homes open up to relatives staying for the Christmas season. In the Christmas story, Mary and Joseph sought shelter for Mary to give birth. There was no room anywhere for her except a stable.

Luke 2:7 This Christmas lets find room in our heart for Jesus and not hide him away. After-all, He is the reason we celebrate. **Have a Wonderful CHRISTmas!**

“The holidays remind us to cherish time, relationships, and the future we’re building. Let’s make sure your wealth strategy reflects your vision for 2026 and beyond.”

Three Simple Actions to Take Before Year-End:

Schedule your financial review

Revisit and update your goals for 2026

Start January with clarity, confidence, and focus

The Gift of Financial Clarity: Ending the Year Strong.

As the year winds down, December invites both celebration and reflection. It’s a natural time to pause, take stock, and make sure your financial plan is ready to carry momentum into 2026.

With inflation easing below 2% and markets showing greater stability, this is an ideal moment to ensure your wealth strategy aligns with your evolving goals.

1. Look Back to Move Forward

Before setting new goals, take a clear-eyed look at how 2025 unfolded.

Ask yourself:

- Did my investments perform in line with my expectations?
- Has my comfort with risk shifted?
- Am I still aligned with my long-term objectives?

Rebalancing, whether you hold a growth, balanced, or income-focused portfolio, helps your money keep working efficiently and strategically over time.

A thoughtful review today creates fewer surprises tomorrow.

2. Build Momentum for 2026

Consistency compounds. As the year closes, take time to reconnect with your Financial Advisor and prepare for what’s next.

Together, consider how to:

- Maximize RRSP and TFSA contributions.
- Reassess your investment mix.
- Explore opportunities in private or alternative markets.

Strong results come from small, steady adjustments made at the right time.

3. Give Yourself the Gift of Clarity

Your financial plan isn’t static, it grows as your life evolves. The most valuable gift you can give yourself this season?

A clear, confident plan.

Automate your savings.

Simplify your structure.

Stay aligned with what truly matters, your time, freedom, and peace of mind.

Rooted in the community. Focused on your Future - right here in **Pilot Butte.**
